SUMMARY FOR THE CHIEF MINISTER

Subject REQUEST FOR APPROVAL OF NON-ADP SCHEME “CONSTRUCTION OF LINK ROADS FROM UNIVERSITY ROAD TO RING ROAD (NORTHERN SECTION)” UNDER PESHAWAR REVITALIZATION PROGRAM (PRP).

The scheme “construction of the link roads from University Road to Ring Road (Northern Section)” in Peshawar aims to reduce traffic congestion on major arterial roads including Khyber Road, Jamrud Road and University Road, as currently Peshawar experiences heavy traffic volumes exceeding road capacity requiring alternates route to improve mobility.

2. The scheme proposes two link roads via Peshawar Zoo Road (4.3 Km) and Tehkal Road (3.8 Km), these roads will improve connectivity between urban areas and Ring Road, reduce travel time and provide alternative routes during peak traffic hours. Overall, the project will enhance traffic flow accessibility and urban connectivity in Peshawar, while supporting future traffic demand.

3. It is pertinent to mention that during a progress review meeting held on 22-07-2025, chaired by the Chief Secretary, Government of Khyber Pakhtunkhwa, directions were given regarding the University Road to Ring Road (Northern Section) project, currently under PDA jurisdiction. The Chair directed that Pakhtunkhwa Highways Authority (PKHA) to execute the project, leveraging its technical expertise in road infrastructure. Subsequently, a Note was initiated for the Chief Secretary's approval, requesting PKHA to conduct the Feasibility Study and Design of the scheme using its portfolio scheme "F/S and Design of Project of various roads" (ADP No. 1446/020675, 2025-26), which was approved [Annex I](#)

4. It is worth noting that a meeting regarding Peshawar Revitalization Plan (PRP) was held on 27-01-2026, under the Chairmanship of the Honorable Chief Minister, Government of Khyber Pakhtunkhwa, [Annex II](#), wherein the subject scheme was discussed in detail, the chair directed the concerned department to initiate summaries for final cabinet approval.

5. Foregoing in view, the Honorable Chief Minister is requested to accord approval for placing the proposed non-ADP scheme “Construction of Link Roads from University Road to Ring Road Northern Section under Peshawar Revitalization Plan (PRP),” at an estimated cost of (Rs.4,000.00 million) before the Provincial Cabinet for consideration please.

6. P&D and Finance Department may add views en-route.

7. Para 05 of the summary is submitted for approval of the Honorable Chief Minister Khyber Pakhtunkhwa, please.

8. The summary has been examined. As mentioned, vide para-3/S Khyber Pakhtunkhwa Highways Authority (PKHA) is conducting Feasibility Study for widening and improvement of the two roads linking main University Road with Northern Bypass. Further preparation of the PC-1s having the Detailed designs along with the cost estimates will be based on the feasibility study being carried out by the department. Planning and Development department will examine all the technical detailed of the scheme once the PC-1 is submitted for the consideration of the PDW P. It is pertinent to highlight here that the proposed project is part of the Peshawar Revitalization Plan and has already been approved in principle by the Provincial Cabinet in its meeting held on 9-3-2026 (minutes awaited). It is therefore proposed that the summary of the project may be submitted only for information of the honourable Chief Minister, Khyber Pakhtunkhwa, please.

Discussion Point:	Peshawar Revitalization Plan.

Discussion:

The meeting commenced with a recitation from the Holy Quran, followed by an in-depth presentation by the Local Government Department, which is tasked with overseeing the Peshawar Revitalization Plan. The department outlined that The Peshawar Revitalization Plan is conceived as a comprehensive initiative aimed at modernizing the city's urban infrastructure to meet the demands of the rapidly growing population. It focuses on improving key areas such as service delivery, traffic management, sanitation, and public transport. By addressing these pressing urban challenges, the plan seeks to enhance the quality of public services, upgrade infrastructure, and create a more sustainable, livable environment for the city's residents. Through a series of high-impact projects, the plan is designed to transform Peshawar into a modern, efficient, and business-friendly city that can accommodate its expanding population and support long-term urban growth.

Some key elements discussed included:

- **Portfolio Scope:**
The total investment for the revitalization plan amounts to Rs. 173.855 billion, focused on high-priority projects aimed at upgrading the city's infrastructure.
- **Funding Structure:**
The funding sources for the plan include Rs. 35.540 billion from the Annual Development Program (ADP), Rs. 46.500 billion from the Khyber Pakhtunkhwa Cities Improvement Program (KPCIP), and Rs. 91.815 billion from non-ADP sources.
- **Urgency of Funds:**
A sum of Rs. 49.742 billion is required for the current financial year (CFY) to ensure that the most critical projects are initiated without delay.
- **Project Details:**
The presentation provided detailed timelines and budget allocations for a variety

of projects, including road construction, park developments, public transport improvements, and upgrades to essential city infrastructure such as street lighting:

Decisions:

1. **In-Principle Approval:**
The forum granted in-principle approval for the Peshawar Revitalization Plan to proceed with detailed planning and coordination. This approval allows the various departments to move forward with the next steps of planning, coordination, and implementation. The decision underscores the government's commitment to improving the city's infrastructure and urban environment.
2. **Timely Fund Release:**
The Finance and P&D Departments will ensure timely availability of funds to support project progression. This decision emphasizes the importance of having resources available on time to avoid project delays, which could compromise the success of the initiative.
3. **Inclusion of Additional Theme Park:**
An additional theme park will be included in the revitalization plan, with land identified by PDA in coordination with the Education and Sports Department. This project will enhance the city's recreational infrastructure and provide much-needed spaces for families and children, contributing to the social and cultural development of the city.
4. **Transfer of Maintenance Responsibility:**
The maintenance of Canal Patrol Road (Nasir Bagh Road) will be transferred to the Peshawar Development Authority (PDA). The PDA's expertise in urban planning and infrastructure management ensures that this key road will be properly maintained, supporting the city's long-term development goals.
5. **Cabinet Submission for Final Approval:**
The concerned departments will prepare and submit detailed summaries to the Provincial Cabinet for approval. This step is crucial for securing formal governmental endorsement and ensuring that the revitalization efforts receive the necessary political and administrative support.
6. **Release of Pending Funds for Peshawar Uplift Plan (PUP II):**
Pending funds for PUP II will be released to maintain the progress of ongoing projects. Timely disbursement of these funds is essential to maintain the progress of projects that are already underway and ensure that they are completed on schedule.
7. **Establishment of Project Coordination and Monitoring Unit (PCMU):**
A Project Coordination and Monitoring Unit (PCMU) will be established within the Local Government Department to oversee the revitalization plan. The PCMU will be tasked with overseeing the implementation, coordination, and progress of all projects, ensuring that the revitalization plan stays on track and achieves its goals within the allocated timeframes.
8. **Financial Re-appropriation for CFY:**
The Finance and P&D Departments will facilitate the re-appropriation of funds for the ADP share in the current financial year. In case of any shortfall,

10-2-2026

13/11/26

supplementary grants will be provided to ensure that no project is delayed due to financial constraints.

Implementation Points:

1. In-principle approval granted for the Peshawar Revitalization Plan to move forward with detailed planning.
2. Finance and P&D Departments to ensure prompt release of funds for all projects.
3. All executing agencies must adhere to the agreed-upon timelines.
4. PDA to identify land in collaboration with the Education and Sports Department for the new theme park.
5. Maintenance of Canal Patrol Road transferred to PDA for specialized supervision.
6. Summaries for final Cabinet approval to be initiated by the concerned departments.
7. Pending funds for PUP II to be released to ensure the timely completion of ongoing projects.
8. Local Government Department to set up the Project Coordination and Monitoring Unit.
9. Finance and P&D to ensure re-appropriation of funds or provide supplementary grants for CFY.

The meeting ended with a vote of thanks from the Chair.

NOTE: Formal summaries, where explicit approval of the Hon'ble Chief Minister or the Cabinet is required, May be initiated separately.
