SUMMARY FOR THE CHIEF MINISTER

Subject ESTABLISHMENT OF KHYBER PAKHTUNKHWA SOCIAL RESILIENCE AUTHORITY (KPSRA) AND DEVELOPMENT OF A UNIFIED PROVINCIAL SOCIO-ECONOMIC REGISTRY FOR INTEGRATED AND DATA-DRIVEN SOCIAL PROTECTION

The Government of Khyber Pakhtunkhwa currently implements a wide range of social protection interventions across multiple departments, including Social Welfare, Health, Education, Zakat, and others (List of interventions appended as ([Annex I](#))). While these initiatives provide important support to vulnerable populations, they operate in a fragmented manner without unified mechanism for targeting, data, and coordination. As a result, issues of duplication, exclusion, and inefficiencies persist. The province also relies significantly on federal programs such as the Benazir Income Support Programme, which limits the ability to design and implement locally responsive interventions.

2. Khyber Pakhtunkhwa is characterized by geographical dispersion, newly merged districts, exposure to natural disasters, low-HDI districts, and persistent socio-economic vulnerabilities. Therefore, the province requires a transition from fragmented welfare approaches to a cohesive, resilience-based, data-driven, and adaptive social protection system. In line with the Khyber Pakhtunkhwa Social Protection Policy (2022) and Social Protection Strategy (2024), it is proposed to establish the Khyber Pakhtunkhwa Social Resilience Authority (KPSRA) as a central institution to enable coordination, integration, and efficiency in social protection.

3. The proposed Authority will be structured as a Special Purpose Vehicle (SPV) and shall not assume execution or financial control of sectoral programs. All existing and future social protection schemes, including health, education, welfare, and other similar interventions, shall continue to be implemented by their respective administrative departments. KPSRA shall function as a central technical platform providing (i) unified beneficiary identification, (ii) data analytics and targeting support, (iii) standardized processes, and (iv) monitoring, evaluation, and

transparency mechanisms. This approach ensures that departmental ownership is preserved while improving efficiency and impact across programs.

4. A central component of the proposed system is the development of a KP Social Registry (KPSR), which will serve as a single, CNIC-linked household database integrating existing datasets and programs. This will include integration of initiatives such as the Sehat Sahulat Card, education support schemes, social welfare programs, and other provincial interventions. The registry will function as a “single source of reliability” for beneficiary identification, enabling multiple departments to draw upon a unified dataset for program design and delivery.

5. The proposed model incorporates key design principles that distinguish it from existing approaches. These include:

an institutional structure that avoids creation of parallel bureaucracies;

district-anchored implementation through existing administrative structures for verification, grievance redress, and outreach;

data integration-first approach utilizing existing datasets such as National Database and Registration Authority and federal registries, supplemented by targeted surveys where necessary;

end-to-end digitization of processes including targeting, validation, approvals, and grievance redress;

transparency and audit mechanisms embedded through digital audit trails and third-party validation; and

gender mainstreaming as a core design element, ensuring prioritization of women-headed households and vulnerable women through gender-disaggregated data and direct benefit pathways.

6. In addition to the above, the Authority will facilitate the development of an Integrated Information System (IIS) to enable interoperability across departmental databases, and a Unified Beneficiary Registry to consolidate all social protection beneficiaries. Formal data-sharing protocols will be established with federal systems to ensure coordination and avoid duplication. The Authority will also support the establishment of a standardized, biometric-enabled payment framework, for use by departments for efficient and transparent disbursement of benefits.

7. The proposed system will incorporate a policy and evaluation unit within KPSRA to support evidence-based program design, impact evaluation, and continuous improvement of social

protection interventions. This will enable departments to design more effective programs based on data-driven insights.

8. The KPSRA will also support departments in designing targeted interventions, including conditional cash transfer (CCT) programs linked to human capital outcomes, particularly in sectors such as maternal and child health, nutrition, and education. It will also ensure the monitoring and evaluation of the initiatives. However, execution and financial disbursement of such programs shall remain the responsibility of the respective departments.

9. To ensure rapid and effective response to crises, KPSRA will establish a shock-responsive mechanism that enables pre-identified beneficiaries to receive timely assistance during disasters, inflationary shocks, and displacement scenarios. It is proposed that the existing project under Planning and Development Department MSD sector, Public Policy & Social Protection Reforms Unit (PP&SPRU) (ADP 110603), may be utilized for operationalizing initial activities, including development of the KP Social Registry, institutional design, and preparation of legal framework. It is also proposed that a Director General for KPSRA may be designated to lead this initiative during the transitional phase. The existing PMU of the PP&SPRU would assist the DG in this regard who may also take on specialists from the private sector on market-based salary through the project. ([Annex II](#)) .

10. The PP&SPRU PMU shall undertake parallel workstreams, including (i) development of the KP Social Registry through integration of existing datasets, targeted surveys, and third-party validation; (ii) establishment of IT systems including registry, interoperability platform, and dashboards; and (iii) preparation of draft legislation, rules, and institutional framework for formal establishment of the Authority.

11. The core operational principles of the proposed Authority shall include the following:

Authority will function as a Special Purpose Vehicle (SPV) and shall not assume execution or financial control of sectoral programs. The departments will continue implementation, while KPSRA will provide data, targeting, and coordination support.

P Social Registry (KPSR) will be developed as a CNIC-linked unified database integrating datasets

including health, education, and social welfare programs.

principles include lean structure, district anchoring, data integration-first approach, process digitization, transparency, and gender mainstreaming.

Authority will develop an Integrated Information System (IIS) and support standardized payment frameworks for departments.

Policy and evaluation unit will support evidence-based program design.

SRA will support design of programs like conditional cash transfers, while execution remains with departments.

Shock-responsive mechanism will be developed.

The PMU of the PP&SPRU will execute initial implementation.

Financial implications will be met through the project and donor funding where available.

Authority will only maintain an operational fund.

12. The financial implications of the proposal shall be met through the PP&SPRU project bearing ADP number 110603 under MSD sector of the Planning and Development Department. It is clarified that the Authority itself shall maintain a limited operational and technical support fund for institutional, technical, and administrative purposes only. All programmatic expenditures, including cash transfers and sectoral interventions, shall continue to be managed by the respective departments.

13. In view of the above, the Chief minister may recommend to provincial Cabinet for the approval of:

i. In-principle approval for establishment of KPSRA as a central technical and coordination platform for social protection, while retaining execution and financial responsibilities with the respective line departments.

ii. Whereas social protection is the mandate of the Zakat, Ushr, Social Welfare, Special Education & Women Empowerment Department, the mandate proposed for the KPSRA is multisectoral. The Cabinet may decide the department under which the Authority would be housed.

iii. Utilization of the existing PP&SPRU Project and its PMU for initial implementation and operationalization of KPSRA, including development of the KP Social Registry, institutional

design, IT systems, dashboards, and preparation of the legal framework. Any revision required in the project scope and cost may be processed by the Planning and Development Department.

iv. Designation of a Director General, KPSRA, during the transitional phase to lead and coordinate initial implementation activities through the resources of the PP & SPRU project.

v. Hiring of 09 consultants under the MBS Policy, comprising MBS-1 = 02, MBS-2 = 02, and MBS-3 = 05, for technical, legal, IT, data, policy, and implementation support.

vi. Development of the KP Social Registry as a unified provincial socio-economic database integrating existing programmes and datasets for beneficiary identification, targeting, verification, monitoring, and transparency.

vii. Development of an Integrated Information System, interoperability framework, and data-sharing protocols across provincial departments and, where required, with federal systems.

viii. Preparation and submission of the draft KPSRA Act, Rules, and Regulations for formal establishment and operationalization of the Authority.

14. Approval of the Chief Minister, Khyber Pakhtunkhwa is solicited to the proposals contained at para 13 of the summary, please.

ADDITIONAL CHIEF SECRETARY - PLANNING & DEVELOPMENT

16. Summary has been examined. Planning & Development Department has already initiated the process for establishment of Social Protection

Authority in Khyber Pakhtunkhwa. In this regard a Concept Note has already been approved by the PDWP Forum in its 12th meeting held on 17 February 2026 at an estimated cost of Rs. 20 billion. and forwarded to CDWP forum for clearance. The same has been reflected under the MSD Sector in the Draft ADP 2026-27 as well. The Concept Note also envisages foreign funding in the form of technical assistance from the World Bank. As far as the legal framework of the proposed authority is concerned a draft Act prepared by PP&SPRU, Planning and Development department would shortly be forwarded to the Law Department for vetting.

17. It is further added here that an ADP scheme titled "Khyber Pakhtunkhwa Socio-Economic Registry (KP-SER)" has already been included in the Draft ADP 2026-27 in Social Welfare sector with a tentative cost of Rs. 988 million.

SECRETARY - FINANCE

19. The summary has been examined. Finance Department supports in principle the objective of replacing fragmented welfare interventions with a single, unified and data driven social protection system, in line with the KP Social Protection Policy 2022 and Strategy 2024. It is, however, observed that the idea now proposed is already in the pipeline. As recorded by the Planning and Development Department at paras 16 and 17, a Concept Note for a Social Protection Authority stands approved by the PDWP in its 12th meeting held on 17 February 2026 at an estimated cost of Rs. 20 billion, has been forwarded to the CDWP for clearance, and is reflected under the MSD sector of the Draft ADP 2026-27; while a separate scheme for a provincial socioeconomic registry (KP-SER) has already been included in the Draft ADP 2026-27 at a tentative cost of Rs. 988 million.

20. The present proposal thus duplicates an initiative that is already under process, and pursuing the same concept concurrently through a separate departmental route would add a further institutional layer and reinforce the very fragmentation it seeks to remove. The mandate also remains unsettled: the summary itself records at para 13(ii) that social protection falls within the domain of the Zakat, Ushr, Social Welfare, Special Education and Women Empowerment Department whereas the proposed mandate is multisectoral, even as the Authority is concurrently being taken forward by the Planning and Development Department. The question of ownership and the lead department therefore requires resolution before the

matter proceeds.

21. As regards para 13(v), the proposal to engage nine consultants under the Market Based Salary (MBS) Policy through the PP&SPRU project (ADP 110603) is not consistent with the HR framework applicable to project staff. For personnel engaged under a development project, the governing instrument is the Project Implementation Policy 2022, under which project positions are filled either against Basic Pay Scale (BPS) posts or on a Negotiable Pay Package (NPP), with the positions, their pay scales or packages and their number sanctioned through the PC-I, approved by the competent development forum, and the revenue component cleared by the Finance Department. Recourse to the MBS Policy, which is a distinct regime, requires review and recommendation by SNE Committee and based on its recommendations, MBS positions are created after approval of Cabinet.

22. In view of the foregoing, Finance Department is of the considered view that the proposal may not be processed as a fresh parallel initiative. The effort may instead be consolidated with the Social Protection Authority Concept Note and the KP-SER scheme already under process, under a single lead department to be determined by the Cabinet, and carried forward through the normal PC-I. The objective may be endorsed in principle; the proposed institutional and staffing commitments, however, are premature and may be held in abeyance until the duplication and the lead department are settled, the draft KPSRA Act is vetted by the Law Department, and the engagement of any project personnel is brought within the BPS or Negotiable Pay Package provisions of the Project Implementation Policy 2022.

SECRETARY - SOCIAL WELFARE

24. After thorough review of the comments by Planning & Development Department and Finance Department, the Zakat, Ushr, Social Welfare, Special Education & Women Empowerment Department, is of the view that in order to firm up proposal for discussion of the competent authority as provided for in Rule-8 and Rule 36(2) of the Rules of Business 1985 ([Annex III](#)), a meeting of the Planning and Development Department, Finance Department, Law Department and Social Welfare Department may be convened at the level of Worthy Chief Secretary or Additional

Chief Secretary (General) to discuss the issue and suggest a viable solution/proposal for decision of the competent authority.

PSCM.CMSECT - CM SECRETARIAT - 23-07-2026

Phase I: Initiation

Implementation Note

Purpose The PMU will function as a temporary delivery arrangement until KPSRA is fully notified and operationalized.	Leadership Director General, KPSRA will serve as Head of PMU and supervise its functional units.	Resourcing Nine consultants will support technical, integration, policy and administrative workstreams under MBS categories.
---	---	---

Phase II: KPSRA Full Structure Post-Legislation

Institutional Architecture After Formal Establishment via Act of Parliament

District Social Protection Units (DSPUs) are anchored in existing district administration structures for local outreach, verification, and grievance redress.

Annex I

Name of Department	No. of programs	Type of program
Social Welfare, Special Education & Women Empowerment Department-	14 programs	Institutional Care Programs for PWDs, children, women, homeless people and drug addicts
Zakat & Ushr Department-	5 programs	Unconditional Cash Transfer Programs
Labor Department	9 programs	Contributory Social Insurance (Cash Grants, Health care, scholarships, Medical care, Housing etc.)
(KP-ESSI & WWB)		Provision of health facilities, educational facilities, Scholarships etc. to the registered workers
Health Department	1 program	Social Health Insurance
Social Health Protection initiative- (SHPI)		
Elementary & Secondary School Education Department	4 programs	Scholarships & Conditional Cash Transfer
PDMA (Relief Compensation)	2 programs	Social Assistance for Victim's compensation
Forestry, Environment & Wildlife Department (Billion Tree Tsunami & upscaling of Green Pakistan)	2 programs	Labor Market Programs
KP-TEVTA (B.Tech, DAE, Short courses)	4 Programs	Labor Market Programs
Sarhad Rural Support Program (SRSP)	2 programs	Labor Market Programs
BISP	3 programs	Conditional & Unconditional Cash Transfer Programs
Pakistan Baitul Maal	5 programs	Institutional Care-3; Labor Market Program-1; Social Assistance-1
EOBI	2 programs	old age pension-1, survivors/invalidity pension-1
12 entities	53 programs	

5A. DUTIES OF PARLIAMENTARY SECRETARY.-

Parliamentary Secretary of a Department shall, subject to any general or special order, issued by the Chief Minister in this behalf, deal with such parliamentary affairs concerning that Department and perform such public relations and functions as may be entrusted to him by the Minister.

Provided that a Parliamentary Secretary shall not be required to undertake any function which may entail any interference in the internal working or administration of a Department or an Attached Department.

6. ENFORCEMENT AND INTERPRETATION OF RULES.-

- (1) The Secretary shall be responsible for the careful observance of these rules in his Department. If any doubt or dispute arises as to the interpretation of these rules, it shall be referred to the Chief Secretary, whose decision shall be final. The Chief Secretary shall obtain the orders of the Chief Minister, where necessary.
- (2) Instructions ancillary to these rules shall, whenever considered necessary, be issued by the Chief Secretary:

Provided that any special or general orders required to be framed by the Departments in terms of these rules may be issued by them, after consultation with the Chief Secretary.

7. AUTHENTICATION OF ORDERS, INSTRUMENTS, AGREEMENTS AND CONTRACT, ETC.-

- (1) All executive actions of Government shall be expressed to be taken in the name of the Governor.
- (2) Save in cases where an officer has been specifically empowered to sign an order or instrument of Government, every such order or instrument shall be signed by the Secretary, the Additional Secretary, if any, the Deputy Secretary, Section Officer, to Government, or the Officer on Special Duty in the Department concerned, and such signature shall be deemed to be the proper authentication of such order or instrument and shall not be questioned in any Court on the ground that it was not made or executed by the Governor.
- (3) Instructions for the making of contracts on behalf of the Governor and the execution of such contracts and all assurance of property shall be issued by the Law Department.

PART-B - DEPARTMENTAL PROCEDURE**8. CONSULTATION AMONGST VARIOUS DEPARTMENTS.**

- (1) when the subject of a case concerns more than one Department:
 - (a) the Department incharge shall be responsible for consulting the other Departments concerned; and
 - (b) no orders shall issue, nor shall the case ordinarily be submitted to the Chief Minister or the Cabinet until it has been considered by all the Departments concerned and they agree to it:

Provided that in case of urgency, and with the approval of the Chief Minister, this requirement may be dispensed with, but the case shall at the earliest opportunity thereafter be brought to the notice of the Department concerned.

- (2) If the various Departments concerned cannot reach on agreement and the Minister-in-Charge after consultation with the other Ministers concerned desires to press the case, the case shall be submitted to the Chief Minister, or with the Chief Minister's approval, to the Cabinet:

Provided that where the Chief Minister is the Minister-in-Charge, the final view of Other Departments concerned shall be obtained before the case is submitted to the Chief Minister.

- (3) When a case is sent by one Department to another for consultation, all relevant facts and the points necessitating the reference shall be clearly brought out.
- (4) Even where consultation is not required, a Department may, for purposes of information, pass copies of a communication received by it, or show a case, to such other Departments as it considers would be interested in or would profit by it:

Provided that copies of Cypher telegrams received or dispatched by the Cypher Bureau shall be distributed in accordance with standing orders issued by the Chief Secretary.

9. THE ESTABLISHMENT AND ADMINISTRATION DEPARTMENT:-

- (1) It shall be the responsibility of the Chief Secretary to coordinate the work of all Departments of Government.
- (2) The Chief Secretary may call for any case or information from any Department or Attached Department.
- (3) The Establishment and Administration Department shall be responsible for:
- the determination of the principles of control of Government servants, including recruitment, conditions of service and discipline;
 - the coordination of the policy of all Departments with respect to services under their control so as to secure consistency of treatment;
 - securing to all Government servants the rights and privileges conferred on them by or under any law for the time being in force; and
 - determining the strength and the terms and conditions of services of the personal staff of Ministers.
- (4) No Department shall without the concurrence of the Establishment and Administration Department authorize any orders, other than orders in pursuance of any general or special delegation made by the Establishment and Administration Department, which involve:
- reduction or extension in the scope of functions of a Department as given in *Schedule-II* or the transfer of such functions from one Department to another;
 - re-organization or change in the status of offices in the Secretariat or Attached Departments;
 - interpretation of rules and orders relating to service matters other than rules and orders issued by the Finance Department; and
 - any change in the terms and conditions of service or the statutory rights and privileges of Government servants.

35. GOVERNOR'S DIRECTIVE WITH REGARD TO DISPOSAL OF CERTAIN CASES:-

- (1) The Governor may require to submit for consideration of the Cabinet any matter on which a decision has been taken by the Chief Minister or a Minister but which has not been considered by the Cabinet.
- (2) The Governor may require the Cabinet or, as the case may be, the Chief Minister, to reconsider its or his advice tendered to the Governor in the performance of his functions, whether generally or otherwise, and the Governor shall act in accordance with the advice tendered after such reconsideration.

36. REFERENCE TO THE CHIEF MINISTER.-

- (1) Without prejudice to other provisions of these rules:-
 - (a) All cases mentioned in *Schedule- V* shall be submitted to the Chief Minister for advising the Governor to pass appropriate orders thereon; and
 - (b) All cases mentioned in *Schedule-VI* shall be submitted to the Chief Minister for his approval before passing of orders.
- (2) A case submitted to the Chief Minister for his order shall include a self-contained summary stating the relevant facts and the points for decision. The summary shall include the specific recommendations of the Minister-in-Charge, and shall be accompanied by a draft communication wherever appropriate.

37. REFERENCE TO THE GOVERNOR.-

- (1) A case required to be submitted to the Governor through Chief Minister for his order shall include a self-contained summary stating the relevant facts and the points for decisions. The summary shall be entitled "Summary for Chief Minister" and contain the specific advice or recommendations of the Chief Minister along with a separate paragraph to the effect that the case requires approval of the Governor.
- (2) All cases specified in *Schedule-VII* shall be submitted to the Governor for information through the Chief Minister.

PART - G - MISCELLANEOUS PROVISIONS**38. PROTECTION AND COMMUNICATION OF OFFICIAL INFORMATION.-**

- (1) No information acquired directly or indirectly from official documents or relating to official matters shall be communicated by a Government servant to the press, to non-official or officials belonging to other Government offices, unless he has been generally or specially empowered to do so.
- (2) Detailed instructions shall be issued by the Chief Secretary for the treatment and custody of official documents and information of a confidential character.
- (3) Ordinarily all official news and information shall be conveyed to the press through the Information Department and the manner in which this may be done shall be prescribed, generally or specially in each case, by that Department Only Ministers and Secretaries, and such officers as may be authorized, shall act as official spokesmen of Government.
